

God gave us the desire to seek the essence of who He created us to be, so that He can fulfill it. He created the thirst so we can enjoy Him, the Living Water. Unfortunately, we spend a lot of time and energy looking everywhere else for that fulfillment...When we truly see God for who He is what seemed like such a good source of legitimacy suddenly pales in comparison to true legitimacy found in God. That is why it is critical to meditate on the truths of who God is and who we are in Him until it sinks down deep:
